

Can I make a partial withdrawal of my CPF savings?

Yes, you can withdraw your savings partially and leave the remaining in your CPF accounts to earn risk-free interest rates* of up to 6% per annum. Your withdrawable savings can be withdrawn any time later, whenever you need them. If you decide to withdraw a partial amount, your savings will be paid from your CPF accounts in the following order:* Based on the current 4% interest rate floor on Special and Retirement Account monies.
