

How do I update my bank account details with CPF Board?

You can update your bank account details with CPF Board to receive payments such as withdrawal of CPF savings and monthly payouts via my cpf digital services – Account settings with your Singpass, or by following the steps below: You will need to verify your identity using Singpass Face Verification to update your bank account details. As a further verification, your new bank account will only be activated after your bank confirms that the account belongs to you. This will generally take up to two working days.
