

What is the Silver Support Scheme?

The Silver Support (SS) Scheme is part of a wider suite of schemes (e.g. healthcare subsidies, GST voucher) that the Government has put in place to give seniors greater assurance in retirement. It provides a quarterly cash supplement to seniors who had low incomes during their working years and now have less in retirement. The Government reviews the Scheme periodically to ensure that it continues to target deserving seniors. Seniors who qualify for SS will automatically receive their cash supplement. There is no need to apply.
