

What happens if I am not on CPF LIFE and I do not start my monthly payouts by 70?

We will start your payouts automatically when: i) you turn 70 or ii) from your next birth month* if you are already above the age of 70. We will pay them into your bank account provided under your Account settings. If you have not provided us your bank account details before, we will write to you to ask for your bank account details nearer to-date.*Applicable only for members born before 1948
