

What is PayNow?

PayNow is a secure fund transfer service that generally allows you to receive payment almost instantly. It adopts the same high security standards as other trusted funds transfer services like FAST and GIRO. Best of all, PayNow is free and available 24/7, 365 days a year to customers of participating banks in Singapore. For more information on PayNow and participating banks, you can contact your bank or visit the Association of Banks in Singapore's website.
