

How and when will I receive my monthly payouts?

You will receive the monthly payouts in your bank account generally on the 2nd or 3rd day of each month, if your bank supports Fast And Secure Transfer (FAST). Otherwise, you will receive your payouts later, via Interbank GIRO (IBG). If you wish to receive your monthly payouts earlier, you can update your bank account details to a FAST bank account via Account settings with your Singpass, or by following the steps below:
