

I am going to start / I have started receiving my CPF LIFE monthly payouts. Can I still defer to receive higher payouts?

The latest age that you can defer your CPF LIFE monthly payouts to is 70. Your monthly payouts will increase by up to 7% for each year of deferral. If you were born in 1957 or after: You can use the Plan my monthly payouts service to defer your payouts after 65, up to 70. If you were born before 1957: You can use the Apply to Defer CPF LIFE Payout form to defer your payouts after 65, up to 70.
